2. (Unclassified - █████ Talked with Representative Sam Gibbons regarding the Tampa Chamber of Commerce interest in having Mr. Dulles speak to that group. Gibbons subsequently called Mr. Dulles in San Diego and it is my understanding that Mr. Dulles has accepted the invitation.

3. (Unclassified - █████ Mrs. Coker, in the office of Representative Charles S. Gubser, called and requested a copy of a publication entitled "Economic Plans for Six Satellite Countries through 1965." I spoke with █████████ on this. The document is unclassified and he will make a copy available with several updating notes. Mrs. Coker was advised of this with an indication that they should receive it within the next couple of days.

9. (Internal Use Only - ▮▮▮▮ Met with Congressman Ed Foreman 25X1A
(R., Tex.) at his request and provided him with an Agency seal. We
discussed briefly the Agency's position in the Executive Branch and I
provided him with the unclassified mimeograph on the Agency.

10. (Internal Use Only - ▮▮▮▮ Met with Mr. John Martin, Assistant 25X1A
Chief Counsel, Committee on Ways and Means, House of Representatives,
who advised that the Committee will be meeting tomorrow on specific
legislation but that there is some chance that the Committee will review
the miscellaneous legislation pending before the Committee. It was agreed
that I would check again with Mr. Martin tomorrow afternoon.

indicated that this was most helpful and was the assistance he needed in
responding to these rather difficult queries. Mr. Robinson is a former
member of the Office of Naval Intelligence and appeared very well disposed
toward the Agency and its problems.
